### 3. Documentary Evidence

Please attach copies of those records consulted, labelling clearly on the reverse side what the document is and the appropriate reference. Please also list and sign the section below.

I / We\* attach copies of the following documentary evidence (including statements of witnesses) in support of this application:

#### List of Documents

SEE Document - 4185

Dated Rachel M. M. P. S. Signed 18/08/2014

\*delete as applicable

### 4. Photographs of the Application Route

Please take photographs of all parts of the application route including the start and end of alleged route and include these when submitting your application. Please also write on back of the photo details of where it was taken. See evidence file

### 5. Consultations

You should consult your local Parish Council regarding the proposed route. You should write to them with a copy of a map showing the alleged route clearly, along with a description of what is being proposed and asking for any comments or factual information they may be able to provide, allowing 28 days for a reply. Please attach any response you receive to your application. You may also wish to consult your local County Councillor and District Council in addition.

ant's responsibility does not stop with the submission of the application applicant will be the promoter of the application and will be required to support it various stages (please see the pre application advice). If the process seems too e, the Parish Council or certain user groups may be interested in assisting. The may be requested to carry out further investigation into the evidence, to answer serve required notices and in the event of objections to the proposal be called as a a public local inquiry. However, should the County Council decide to make an order, ary work to publish and defend it at public inquiry will be undertaken by the Council.

ant for the applicant to be aware that in investigating Definitive Map modification County Council, as Surveying Authority, is under a duty to record the true status of ncerned. The evidence may reveal that the claimed way is a: -

ic Footpath - which may be used by members of the public on foot

ic Bridleway - which may be used by walkers, horse riders and cyclists

stricted Byway (formally called a Road Used as a Public Path) - which may be used ll the above and horse drawn carts or carriages

ay Open to All Traffic (BOAT) - which may be used by all the above and hanically propelled vehicles

ollowing research, the investigating officer may conclude that the way is shown the records or has no public rights at all.

wish to apply for a BOAT please contact this department on the number and the back of this form for the latest information and legislation.

ch a list showing who you have consulted and copies of any replies to your o this application form.
