This order will enable Gigaclear to carry out a rolling programme of underground cabling works with clearing of potential duct (pipe) blockages in this road.

The Order becomes effective on **20th December 2018** and will remain in force for eighteen months. While the closure is in operation an alternative route will be signed as detailed below.

This Order is required to facilitate highway works and is necessary for the safety of the workforce whilst carrying out their duties. The restriction shall apply when indicated by traffic signs.

ALTERNATIVE ROUTE

Please visit www.roadworks.org for further information on the alternative route

For information about the works being carried out please contact Callum Whitfield on 0780 362 6101
