**Subject:** B&NES response to Somerset Minerals Plan: consultation on main modifications

Dear Paul

Thank you for consulting Bath and North East Somerset Council on the main modifications to the Somerset Minerals Plan. We have reviewed the Schedule of Main Modifications and are satisfied that the changes reflect the discussions at the Hearings and therefore have no further comments to make. We would, however, be grateful if you could notify us when you have received the Inspector's Report and again when the Plan is adopted.

Kind regards

Sarah
