Subject: South Somerset District Council response to Minerals Plan Main Modifications

Dear sir/madam,

please see emboldened below South Somerset District Council's response to the Somerset Minerals Plan Main Modifications:

"Regarding Main Modification 27, South Somerset District Council (SSDC) support the final criterion that has been added to Table 6, which allows non-mineral development in Mineral Safeguarding Areas where prior extraction is not practicable/viable and there is an over-riding need for the development. This reflects representations made by SSDC throughout the preparation of the Somerset Minerals Plan."

As previously, please could you record the representation in the name of:

Martin Woods

Assistant Director (Economy), South Somerset District Council

Email: martin.woods@southsomerset.gov.uk

Regards,
Keith
